BEST PRACTICE-II

1. Title of the Best Practice

Student Diversity

2. Objectives of the Practice

- To create an atmosphere wherein students learn from each other as well as help and encourage each other.
- To ensure that students build social skills such as empathy, understanding and kindness.
- To help in developing the community by providing equal opportunity to all the students.

3. The Context

BGSB University follows a policy wherein a mixed crowd of students coexist within the University campus and learn from each other. The institution encourages a system of admission without any bias and has a diverse group consisting of non-traditional learners and first-generation students, quick learners/ academically challenging students, and students from different linguistic, social and cultural backgrounds.

4. The Practice

The institution follows a system of admission without any bias. Students from diverse backgrounds, including non-traditional learners, first-generation students, quick learners, academically challenged students, and students from different linguistic, social and cultural backgrounds, are admitted into the University. These students are also provided with necessary support and advancement opportunities.
