REPORT

Computer Science and Engineering Department, BGSBU has organized a free One day seminar on "**IPR and Innovations**" on February 21, 2018. The seminar was conducted by Mr. Manmeet Singh, Assistant Professor, Information Technology and Engineering, BGSBU. The main objective of this seminar was to increase the awareness of patent filing and its various aspects like how to search, draft including filing and prosecution procedure etc. Huge response for it has been received and more than 22 participants have registered for the workshop.

Mr. Manmeet Singh addressed the participants and highlighted the need for looking at the problems existing within the local eco-system differently, thinking out of box which in turn leads to innovation. He deliberated day long on varied aspects of Intellectual Property Rights.

The purpose of the Seminar was to promote IPR, and to allow facilitation and management of Intellectual property in the University.
