One Day Workshop on SPSS  
(February 02, 2015)**

Department of Mathematical Sciences organised a Work shop on "SPSS (Statistical Package for the Social Sciences) on February 02, 2015 in which about 20 research scholars and teachers from with in and out side of the Department participated. The workshop began with a welcome address by the Head of the Department, Dr. Zaheer Abbas, in which he highlighted the importance of such a workshop, in particular for Applied Mathematicians, and outlined the plan of the workshop. During the workshop the speaker, Dr. Gourav Sehgal, spoke at length on fundamental topics connected with SPSS and addressed the queries of the participants very successfully. In the course of the valedictory function, verbal feed back was also taken from the selected participants, which was really encouraging and certified the success of the workshop.

Department of Mathematical Sciences organised a Work shop on "Normed, Banach and Hilbert Spaces w. e. f. September 11 to September 12, 2016, in which about 20 research scholars and teachers from with in and out side of the Department participated. On September 11, the workshop began with a welcome address by the Head of the Department, in which he highlighted the importance of studying Functional Analysis. On the first day of the workshop, the first speaker Prof. S. D. Sharma focussed on the introduction of Normed spaces, Banach Spaces, their Examples and fundamental Properties. On the second Day of the workshop, the second speaker, Dr. Z. Abbas introduced the concept, examples and fundamental properties of Hilbert spaces. Both the speakers discussed the topics in a motivational manner, kept the participants involved and addressed the queries in professional manner. In the course of the valedictory function, verbal feedback was also taken from the selected participants, which was really encouraging and certified the success of the workshop.

Sub:- Report for Two day Seminar on “Advances in Elelctrical Engineering”.

## Report

A two-day seminar was organized on “Advances in Electrical Engineering” by the Department of Electrical & Renewable Energy Engineering, School of Engineering & Technology (SET), Baba Ghulam Shah Badshah University (BGSBU), Rajouri.

Prof Javed Musarrat, Vice Chancellor, BGSBU was the chief patron of the seminar whereas Prof Mohammed Asger, Dean, SET, was the patron and also the chief guest of the seminar.

The Department under the headship of Mr. Shafqat Nabi Mughal had invited Dr Parveen Luhana, Department of Physics & Electronics, University of Jammu (JU) as key note speaker. The event was attended by all the students and faculty from within the department and other departments. During the event, series of lectures were delivered by different resource person from both within and outside the University. Some of the important topics covered during the Seminar were “Idiot Brain”, “PIC Controllers”, “Nanowires” and “Frequency linked Tariff System”.

Speaking on the valedictory function, Prof Asger emphasized on the importance of these seminars and added that as the technology is advancing in leaps and bounds it becomes all the more important to bring in experts and expose our students with the latest happenings in the world of science & technology. The workshop was convened by Mr. Shafqat Nabi Mughal (HOD ERE) and Mr. Neetan Sharma (Lecturer ERE) was the coordinator of the seminar.

## BGSBU organizes lecture on Indo-Arab cultural relations

*Excelsior Correspondent*

JAMMU, Mar 4: The Department of Arabic, BGSBU, organized Hazrat Baba Ghulam Shah Badshah Lecture Series on the topic 'Indo-Arab Cultural Relations: past and present perspectives'.

Dr Shad Hussain, former HoD Arabic, University of Kashmir, was invited as key speaker, who delivered the lecture on the topic. In his lecture, Dr Shad enlightened the gathering on the rich cultural relations between India and Arab world from the pre historic times.

Dr Manzoor Ahmed Khan, former Dean, Faculty of

Oriental learning, University of Kashmir, also threw light on the topic and discussed the various aspects related to it.

Speaking on the occasion, Prof Javed Musarrat, Vice Chancellor, BGSBU laid emphasis on learning of Arabic language and encouraged the department to hold such literary activities.

Dr Shams Kamal Anjum in his welcome address briefed the gathering about the objectives of the programme.

Deans of the faculty, HoDs, teachers, administrative officers of the university and the students of the department were present on the occasion.

## Man held from Rajouri for murder of elderly woman

MUMBAI, Mar 4:

A man has been arrested from Rajouri for the alleged murder of a 74-year-old woman at a housing society in Jogeshwari, a western suburb of the city last month, where he worked as a watchman-cum-helper, police said today.

The accused, identified as Mohammad Raki alias Rafi

while her children reside in other parts of the city.

According to police, the accused wanted to retain his job in the society after some of its office-bearers had threatened to terminate his services for not doing "satisfactory" work. Chaudhary planned the crime in such a way that a newly hired watchman of the society would

# راجوری یونیورسٹی کے شعبہ عربی میں ”جموں و کشمیر میں عربی زبان“ پہ تو سیمینار خطبہ

## ”کتاب و سنت کی زبان عربی“ کبھی روبہ زوال نہیں ہو سکتی، پروفیسر جاوید مسرت

طرف توجہ دلاتے ہوئے فرمایا کہ علی گڑھ مسلم یونیورسٹی میں عربی کا شعبہ 1920 میں قائم کیا گیا۔ وہاں ہر کونہ کوشش میں ایٹم بوم اور ایٹمی بجلی کی ڈگریاں تقویت بخشتے کرتے جنت دین مسلمان کو یہ ہدایت کی گئی اوتی ہے کہ وہ عربی میں مخصوص الفاظ اورد کریں۔ پروفیسر جاوید مسرت نے ملی طوطا پرائیویٹ ٹی وی چینل سے ان عربی الفاظ کو سامعین کی سماعتوں کی خدمت کرایا۔ انھوں نے فہرہ عربی کے صدر ڈاکٹر شمس کمال انجم کو مبارکباد دی کہ وہ فہرہ عربی کو چار چاند لگانے میں متہمک ہیں۔ انھوں نے فرمایا کہ اس شعبے نے آج تک 19 ایم ایل اور 5 بی ایچ ڈی کروائے ہیں۔ انھوں نے اس بات پر فخری کا اظہار کیا کہ یہ شعبہ ہر اعتبار سے ایک مثالی شعبے کی حیثیت اختیار کر چکا ہے۔ انھوں نے اس بات پر فخری کمال انجم نے انھیں دیے انھوں نے 22 دن انھوں نے عربی زبان کو ایک ماحولی زبان قرار دیا اور اس بات پر فخری کا اظہار کیا کہ ہندوستان کی بیشتر یونیورسٹیوں میں عربی کے شعبے قائم ہیں۔

انہی بات کا اظہار کیا۔ انھوں نے فرمایا کہ صدر فہرہ عربی ڈاکٹر شمس کمال انجم مبارکباد کے مستحق ہیں جو نہایت عمدگی اور فزول اسلوب سے عربی شعبے کو ایک مثالی شعبہ بنانے میں تھکے ہوئے ہیں۔ انھوں نے آج تک کی ایسے تو سیمینار کچھ اور کسی بزرگوار کے ہیں جن میں عربی زبان کی اہم علمی اور فنیاتیات کو مدد کیا گیا ہے۔ پروفیسر جاوید مسرت دانش پائس پر باقاعدہ شدہ پروفیسر یونیورسٹی راجوری نے اپنے صدارتی کلمات میں فرمایا کہ عربی ایک ایسی زبان ہے جو اللہ تعالیٰ کی پسندیدہ زبان ہے اور میں یہ یقین سے کرتا ہوں کہ کتاب و سنت کی زبان عربی مکی روبہ زوال نہیں ہو سکتی۔ انھوں نے عربی زبان کی اہمیت والادیت کی

شعبے کو ایک معیاری اور قابل اعتماد شعبہ بنانے میں کمال فہرہ پروفیسر جاوید مسرت اور صدر شعبہ ڈاکٹر شمس کمال انجم اور ان کے ساتھ کام کر رہے مساتدہ کا فیدی بدل ہے۔ پروفیسر یونیورسٹی ایم ایل آف این آف مین اسکول نے بھی عربی شعبے کی بھرپور مدد کے بارے میں اپنے ادریں

راجوری ایڈوائزیم شدہ پروفیسر یونیورسٹی راجوری کے فہرہ عربی کے زیر اہتمام شدہ پروفیسر یونیورسٹی راجوری کے قومی کونسل برائے علوم و ادب زبان کی مٹی کے مٹی تعاون سے ”جموں و کشمیر میں عربی زبان“ کے مہمنوں پر ایک توجہی خطبہ کا اظہار کیا گیا۔ جس کی صدارت پروفیسر جاوید مسرت نے کی۔ مہمانان خصوصی اور ادریں میں پروفیسر یونیورسٹی ایم ایل آف این آف مین اسکول ڈاکٹر شمس کمال انجم اور ڈاکٹر ایضاً تو میدی شامل تھے۔ جموں و کشمیر میں عربی زبان ”توجہی خطبہ“ ڈاکٹر شمس کمال انجم نے دیا جو عربی زبان کے ایک بہت بڑے عالم و فاضل اور فخری حیثیت سے معروف ہیں۔ انھوں نے جموں و کشمیر میں عربی زبان کے آواز دار کادھار سیدیاں پائے بزرگان دین اور ادریں کے کرام کی بڑی تحصیل کے ساتھ ذکر کیا۔ انھوں نے فرمایا کہ کشمیر میں اس جنت کالجوں میں بڑا حصہ طلبہ عربی زبان پڑھتے ہیں۔ انھوں نے جموں و کشمیر میں پڑھی فرمایا کہ باقاعدہ شدہ پروفیسر یونیورسٹی راجوری کے فہرہ عربی کے ذمہ داری صحت اختیار کر چکا ہے اس

”عربی زبان اور عصرے تقاضے“ کے موضوع پر خطبہ پیش کیا گیا

## آزان نيوز

راجہ جی // ای کام شاد بادشاہی فی دینی راجہ جی کے شعبہ عربی  
 میں ایک تقریب کا انعقاد کیا گیا۔ جس کی صدارت صدر شعبہ  
 اردو و عربی اور انسٹاٹک اسٹڈیز اور کنکریٹس کمال اچتم نے کی۔  
 موصوفہ نے یہ بیان کے مطابق تقریب کا آغاز کیا اور عربی  
 کے طالب علموں کی کئی کے ذریعے ۱۱۳ کلام اچتم نے پڑھا  
 اس کے بعد وہ انجمنہ ہدیہ کے عربی زبان اور عصری  
 ثقافت، مضمون پر ایک یادگار تقریر پڑھیں انصوف نے کہا میں یہ  
 دیکھ کر بہت خوش ہوا ہوں کہ ای کام شاد بادشاہی فی دینی کا  
 شعبہ عربی بہت عمدی ہے کام کر رہا ہے۔ اس شعبہ نے کئی شعبہ  
 اپنی شاندار کام کی ہے۔ ہم محسوس کرتے ہیں ریاست ہندوں  
 تنظیم میں اردو زبان ادب کا بہت شاندار فروغ ہو رہا ہے۔  
 عربی کی شرفداشت میں جو ادارے بڑھ چکے ہر حصہ ملے  
 رہے ہیں میں ای کام شاد بادشاہی فی دینی راجہ جی کا شعبہ  
 عربی سرخبرست ہے۔ صدر شعبہ اردو و عربی اور انسٹاٹک  
 اسٹڈیز و معروف شاعر ادیب محقق اور مترجم اور کنکریٹس کمال

افضل وكرم سے اہل عالم شاد و شام و بخیر و نیکوئی کو ہم ملی کر دے مسلم  
یوں دینی مل سکتے ہیں۔ اپنے اہل ادارے کو بے این ہو جانے سے  
میں شراب سے کہیں اس کو خون دل ایا جائے۔ یعنی جتنی سرسید اور  
اُن کے دوستوں کی بھی جس جنوں نے انھوں نے کام کیا تھا  
آئی جنوں سے کام کرنے کی ضرورت ہے مجھے اپنے اساتذہ و  
خبر ہے۔ انھوں نے فرمایا کہ میں ڈاکٹر لیاقت تیرے گروہ مارک باد  
دیتا ہوں جنھوں نے بہت ۥ 300

تجربہ جس نھوں سے اس ادارے کی تیار سازی کی ہے وہ اپنی مثال آپ ہے۔ آج اس شعبہ کو ریاست میں جو عزت کی نگاہ سے دیکھا جا رہا ہے اس کے پیچھے ان کی بہت بڑی محنت ہے۔ اس کے علاوہ انھوں نے عربی زبان کی اہمیت پر زور دیا۔ پھر ریاست کے صدر شعبہ کو پارک باؤنڈری کی تقریب میں ہونے والے انٹروائیڈی میٹن نے اپنے بے این ٹی کے زمانے کو دہرایا۔ غلط صدارت میں صدر شعبہ نے فرمایا کہ اللہ کے

## **QURAN IS THE BASE OF SCIENCE & TECHNOLOGY : PROF HAMALHOLD NATIONAL SEMINAR ON ARABIC**

KT NEWS SERVICE. Dated: 11/17/2013 11:32:18 PM

RAJOURI, Nov 17: To unfold the bond of Arabic language with science & technology, Baba Ghulam Shah Badshah University's Department of Arabic held one day National Seminar in which experts and scholars from different Universities of India presented their papers and highlighted the relation of this language with the science.

In the seminar titled "Arabic language in the age of Science & Technology", Vice Chancellor Prof Irshad Ahmed Hamal was Chief guest who spoke at a length on the topic and termed holy Quran as base of the Science. He said that the holy book is scientifically tested and its every word is scientifically proven. Giving example, VC said that the process of birth of child is clearly mentioned in Koran which was scientifically tested and proved after hundreds of years by Science. He also gave the example of Meraaj (journey) of Prophet Mohammad and concept of Buraak (flying horse) and termed it base for Wright Brothers concept of aeroplane. He appreciated the role of Arabic Department of the University and assured every help for such type of Seminars in the department.

The Seminar was divided into 2 sessions. The first session was chaired by Prof M N Khan, Head Department of Arabic, University of Delhi in which 5 scholars viz Dr Mohammad Azam of BGSBU, Dr Syed Abdul Majeed Anrabi, Head Department of Arabic Islamic University of Science & Technology Awantipora Kashmir, Dr Mohammad Apfan of BGSBU, Dr SK Anjum Head Department of Arabic, BGSBU and Inayat Rasool of Islamic University of Science & Technology presented their papers. In this session a student of the department, Syed Zulkarneen compered the programme.

The second session was chaired by Prof Irshad A Hamal which started with a power point presentation by Dr Shams Kamal Anjum in which he highlighted achievements and working of the department from 2005 to 2013 which impressed the experts of the other Universities who termed these activities as historic. In this session, 5 papers were presented by Dr Mujeeb ur Rehman, Associate Professor of Jawahar Lal Nehru University Delhi, Dr Shaad Hussain, Head Department of Arabic, University of Kashmir, Prof Habib ullah Khan, Department of Arabic, Jamia Milia Islamia, Prof Kafeel Ahmed Qasmi, Head Department of Arabic, Aligarh Muslim University and Prof M N Khan, Head Department of Arabic University of Delhi. Compering of the second session was conducted by Dr Liaqet Nair, Assistant Professor of the University.

In the Seminar, Registrar Mohammad Rashid Chowdhary, Dean Academic Affairs Prof AK Koul, Principal College of Engineering & Technology Prof M Asger, Director Centre for Biodiversity Studies Prof B A Wafai, Special Secretary to Vice Chancellor Suneet Gupta along with faculty members, other staff and students were present.

## Impact of Arabic on regional Languages of Peer Panchal: One day seminar in BGSSBU

TNN Bureau. Updated: 4/12/2017 6:27:38 PM

Press Release

Jammu, Apr 12: Department of Arabic in association with J&K Academy of Art, Culture & Languages organized a one day seminar on Impact of Arabic on regional languages of Peer Panchaal. Arabic being the universal language has its widespread impressions on regional languages and cultures across the globe. Gogri, Pahari, Kashmiri and Urdu being the regional languages of the Peer Panjaal have been observing the impression on Arabic language since the Arrival of Islam to his part of the world.

Prof M. Asghar Dean of students, Prof GH Dar Dean of School of Biosciences, Mr. Mohammed Ishaq Registrar, Prof. Shabir Shah Principal Govt. PG College Rajouri, Prof. Shakeel Raina Principal GDC Thanna Mandi jointly chaired the first session, whereas Jenab Nissar Rahi, Raja Nazar Bonayari, Janab Ameen Qamar, Dr. Rafiq Anjum and Dr. Shams Kamal Anjum jointly chaired the 2nd session of the seminar.

Dr. Shams Kamal Anjum, Head Department of Arabic, presented the welcome address. In his address he highlighted the importance of regional languages. He explained the impact of socio-cultural, economic and political environments on the development of a language. On the occasion he highlighted the vision of the Vice Chancellor of the University, Prof. Javid Mussart to develop BGSSB University into a Centre of socio-cultural and academic excellence. He also thanked Dr. Javid Rahi, Editor-In chief Gogri section JKCAL for his valuable support in organizing such an event. The Vice Chancellor in his message congratulated the department for organizing the seminar and bringing together eminent speakers of different languages.

The proceeding of the seminar were started with the recitation of the Holy Quran. In the 1st technical session, Dr. LayqatNayyer, Gulshan Rashid, Dr. Manzar Alam, Janab Nissar Rahi and Dr. Rafiq Anjum presented their thoughts on origin and development of Urdu, Kashmiri, Arabic, Pahari and Gogri languages respectively. In the 2nd technical session QaziNissar Ahmed (JMI) Dr. Mohd Azam. Arshad Bhat, Dr. Rumina Rashid (HOD English), Dr. Shams Kamal Anjum and Dr. Aqeela presented their research papers on Impact Pahari, Gogri, Kashmiri, English and Urdu languages respectively.

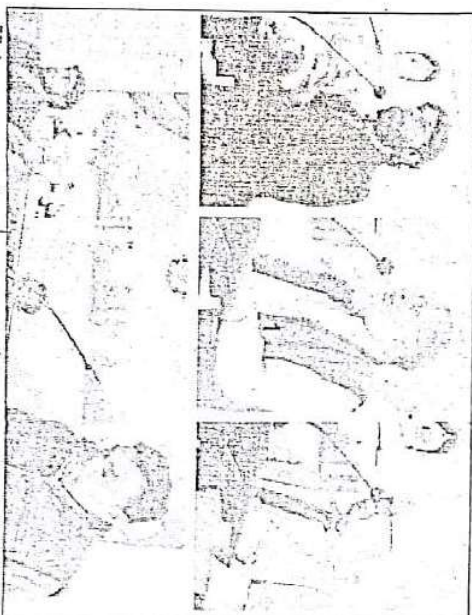

Prof. Shabir Shah in his address highlighted the need for extensive research on the impact of Arabic on regional languages. He congratulated the Department for taking a lead in this regard. Prof. Shakeel Raina emphasized on the need of translating IT terminologies into regional Languages for promoting scientific temperament at gross rootlevel. Prof. Asgher, highlighted the relationship between It languages and regional Languages. Prof GH Dar spoke on the importance of preserving rich cultural heritage for future generation. Mr. Mohammed Ishaq congratulated the department for organizing such an important event. Jenab Raja Nazarbonayari and Amin Qamar highlighted the linguistic technicalities of pahari and Gogrilanguages respectively. All the Heads of various departments, Officers of the versity and a large number of Scholars and students also participated in the seminar. Proceedings of the programme were conducted by Dr. Mohd Azam whereas Vote of thanks was delivered by Dr. Laqayat Nayyer.

## 'Future of Arabic in 21st Century': Seminar held at BGSBU

SUMIT BHARGAVA

Rajouri, May 4: The department of Arabic, Baba Ghulam Shah Badshah University, in collaboration with NCPUL, organised a two day national seminar on "Future of Arabic language in 21st century" today.

As per a variety handout, the seminar was organised mainly to discuss the challenges facing this classical language with rich heritage internally and externally in the form of colloquial gaining ground, trying to encroach the standard language and the globalisation which is imposing its own language and culture so much so that the Arabs are adopting foreign languages at the cost of their own mother tongue.

To discuss this growing phenomenon around thirty delegates from Jamia Millia Islamia, Jawahar Lal Nehru University, University of Kashmir, Islamic University of Science and Technology, Aligarh Muslim University, Barkatullah University, Bhopal, GDC Shopian, GDC Thanna Mandi, GDC Rajouri, IEM College Rajouri, faculty and scholars

of BGSBU participated in the seminar and presented their scholarly papers.

The seminar comprised inaugural, valedictory and four technical sessions.

The seminar was started with an introduction of the topic and welcome address by the Head of Department Dr. Shams Kamal Anjum.

The occasion was graced by the Dean Academic Affairs Prof. A.K.Koul, Dean School of Mathematical Sciences and Engineering Prof. M. Asgar, Dean School of Biotechnology Prof. G.H. Dar, Heads, officers

and faculty members from different departments of the University.

Dr. Abdul Majid Qazi, a senior professor in the Department of Arabic Jamia Millia Islamia and a renowned scholar of Arabic delivered keynote address.

The address was comprehensive which covered the challenges and prospects of Arabic language. Through latest data he highlighted the importance of Arabic language in comparison to other international languages and said the future of Arabic is

safe as its life according to surveys is very long, many languages will perish in due course of time but Arabic will remain alive.

The Vice Chancellor BGSBU Prof. Javed Musarrat in his message congratulated the department for organising two day national seminar and directed the deptt to engage the students with such type of academic activities along with the class room teaching.

The Dean Academic Affairs Prof. A.K.Koul in his address while appreciating the rich heritage of this language raised the question how much we justified in being apprehensive about the future of Arabic language.

Professor Qazi, Dr. Abdurrahman Wani, HOD Arabic KU, Dr. S.K. Anjum and Dr. Qutbuddin, chaired the sessions while Dr. Md. Afan, Dr. Mohd Azam, Dr. Manzoor Alam and Dr. Andrabi conducted the sessions.

The delegates actively and keenly participated in the discussions regarding different aspects of future of this great classical modern language.

At the end Dr. Liyaqat Nayyar presented the vote of thanks.

Sub: - Report for One week workshop on “Basics of MATLAB Programming and Simulink”

### Report

One week workshop on “Basics of MATLAB Programming and Simulink” was held at Baba Ghulam Shah Badshah University on 15-19, November, 2016. The workshop was organised by the Department of Electrical & Renewable Energy Engineering in collaboration of Department of Computer Science Engineering, SOET, and BGSBU. The inaugural session started with the welcome addresses given by Mr. Shafqat Nabi Mughal Head Department of Electrical & Renewable Energy Engineering. Speaking on the occasion Prof Javed Massarat Honble vice chancellor BGSBU was the chief guest of the workshop and he deliberated on the importance of such workshop to enhance the programming skills related with many problems in electrical domain, which would be useful to students and faculty in their researches. Mr. Farhad Ilahi Bakhsh Assistant Professor ERE was the organising secretary of the workshop. Finally a vote of thanks was presented by Prof Mohd Asger Dean SOET. The inaugural session of workshop was attended by students, faculty members both from within and outside the department.

## WORKSHOP OBJECTIVE

The objective of this workshop is to contribute knowledge about MATLAB among students, faculty members and other staff members; so that they are able to develop programmes and use Simulink effectively.

## WORKSHOP HIGHLIGHTS

- Learn basics about MATLAB programming and Simulink.
- Development of MATLAB programs.
- Development of Algorithm & Data Analysis.
- Development of models in MATLAB Simulink.
- Analysis of developed MATLAB models.

## WORKSHOP CONTENTS

- Day 1** ❖ An Introduction about MATLAB
- Programming
  - Simulink
- Day 2** ❖ MATLAB programming
- Development of program
  - Data analysis & visualization
- Day 3** ❖ MATLAB Simulink
- Simulink Toolboxes
  - Development of Simulink Models
- Day 4** ❖ MATLAB Simulink (continued)
- DC Machine
  - Hands on screen
- Day 5** ❖ MATLAB Simulink (continued)  
(Morning)
- Induction Machine
  - Hands on screen
- Day 5** ❖ MATLAB Simulink (continued)  
(Evening)
- Digital Signal & Image Processing

## ORGANIZING COMMITTEE

### CHIEF PATRON

Prof. (Dr.) Javed Musarrat  
Hon'ble Vice Chancellor, BGSB University

### PATRON

Prof. (Dr.) Mohammad Asger  
Principal, College of Engineering & Technology

### CONVENOR/ CO-CONVENOR

Head of CSE/ ERE

### ORGANIZING SECRETARY

School of Engineering and Technology  
Baba Ghulam Shah Badshah University  
Rajouri – 185234, J & K

## ABOUT BGSBU

The Baba Ghulam Shah Badshah University (BGSBU) has come into existence by an Act of the Jammu & Kashmir Legislative Assembly called the Jammu & Kashmir Baba Ghulam Shah Badshah University Act No. XVI of 2002. The motto of the university is "Iqra Bismi Rabbik-al-lazi Khalaq" which means, "Read in the name of God who has created all that exists". It reflects the vision and idealism for which the university stands. The objective identified for the university in the Act is to impart quality education and undertake research in basic and job oriented fields. Accordingly, the university has launched teaching programmes in School of Engineering and Technology, School of Mathematical and Computer Sciences, School of Management Studies, School of Biosciences and Biotechnology, School of Islamic Studies and Languages, School of Education, School of Nursing & Biomedical Sciences, School of Social Sciences, School of Healthcare & Pharmacy and School of Material Sciences & Nanotechnology.

## ABOUT SoET

School of Engineering and Technology (SoET) consists of College of Engineering and Technology (CoET) and University Polytechnic. CoET is constituent college of BGSBU and was established in the year 2007. CoET has created the infrastructure to impart engineering education in a record time of six months. CoET has become one of the premier learning centre in the field of engineering. CoET is currently engaging more than 1000 future engineers in different courses from different regions of the state. Various Workshops and Seminars are held throughout the year involving academic and industry experts. Various B. Tech. courses offered by the college are :

- B. Tech. in Electrical and Renewable Energy Engineering
- B. Tech. in Computer Science and Engineering
- B. Tech. in Electronics and Communication Engineering
- B. Tech. in Information Technology and Engineering
- B. Tech. in Civil Engineering

Each B. Tech. course is of 4 years, 8 semester programme during which training is provided through classroom lectures, laboratory work and workshop practice.

SoET has the unique distinction of having established the first centrally funded Polytechnic in collaboration with the J&K State Government. The need of Polytechnic was felt on account of non-availability of any such institute in the region to meet the great market demand for skilled lower level end engineers. Each Diploma course is of 3 years, 6 semester programme.

## ABOUT MATLAB

MATLAB (Matrix Laboratory) is an integrated technical computing environment that combines numeric computation, advanced graphics and visualization and a high level programming language. A proprietary programming language which is developed by MathWorks. MATLAB allows matrix manipulations, plotting of functions and data, implementation of algorithms, creation of user interfaces, and interfacing with programs written in other languages, including C, C++, Java, Fortran and Python.

Although MATLAB is intended primarily for numerical computing, an optional toolbox uses the MuPAD symbolic engine, allowing access to symbolic computing abilities. An additional package, Simulink, adds graphical multi-domain simulation and model based design for dynamic and embedded systems.

MATLAB is more than a fancy calculator; it is an extremely useful and versatile tool. Even if you only know a little about MATLAB, you can use it to accomplish wonderful things. The hard part, however, is figuring out which of the hundreds of commands, scores of help pages, and thousands of items of documentation you need to look at to start using it quickly and effectively.

That's why we aim to organize such workshop so that the students, faculty members and other staffs are able to do programming and Simulink effectively.

### Note:

1. The entries are limited to only 100 students on first come first serve basis.
2. Certificate will be given to the participants who will attend all the sessions.

**Report of two day Workshop on "Wireless and Computer Networks" conducted by Office of NKN on 27<sup>th</sup> and 28<sup>th</sup> February 2015**

A two day Workshop on "Wireless and Computer Networks" was organized by the Department of Computer Sciences, Baba Ghulam Shah Badshah University Rajouri on 27-28<sup>th</sup> of February, 2015. The Head, Department of Computer Sciences Dr. Qamar Rayees Khan & Convener welcomed the Guests and the delegates across India. Dr. Sanjay Jamwal, Organizing Secretary of the Workshop presented the brief outline about the workshop and its theme. Prof. Asger, Dean of the School, emphasized on the need of such workshops for knowledge enhancement of employees of BGSB University. Speaking on the occasion, Dr. Qamar Rayees Khan thanked Hon'ble Vice Chancellor for his continual support and inspiration to the Department. Dr. Atul Gonsai, Associate Professor, Department of Computer Sciences, Saurashtra University, Gujarat, and the key note speaker for the conference deliberated on the use of wireless technologies in the field of communication. On the occasion, Prof. A.K Kaul, Dean, Academic Affairs, BGSBU & patron of the Conference threw light on the emergence of wireless technologies and the increase in speeds with every coming day. Mr. Rashid Chowdhary, Registrar BGSBU spoke about the skill enhancement of the non-teaching employees of the university and emphasized that such workshops should be organized on short intervals. He also emphasized on the issues of health related to the wireless environment and emphasized on more rigorous research in this field for the benefit of mankind. In the Conference, more than 40 delegates within and outside the state were present on the occasion. Mr. Mir Adil, Research Scholar, Dept Of Computer Sciences, anchored the inaugural session and also presented vote of thanks.

**Dr. Sanjay Jamwal,**  
(Organizing Secretary)

### Seminar Report

The Department of Computer Sciences BGSB University, Rajouri organized a seminar on **“Research Opportunities & Challenges in Computer Sciences - ROCCS-2015”** on 10-10-2015. The seminar was initiated by the Department to address the research problems encountered while pursuing research in Computer Science and IT which was approved by the Hon'ble Vice Chancellor BGSB University vide Order No. BGSBU/Acad/15/1278-1282, Dated: 05-09-2015. On the occasion, Head, Department of Computer Sciences, Mr. Qamar Rayees Khan presented the welcome address and apprised the learning audience the purpose and objective of the seminar. The esteemed speakers at the event were Prof. Rajesh Kumar Bawa, Head, Department of Computer Sciences Punjabi University Patiala, Prof. T.V. Prasad Dean, Research and Planning, Chiralla Engineering College, Hyderabad and Mr. Ashok Kumar Tella Managing Director, Chiralla Group of Colleges, Hyderabad. The speakers highlighted the importance and role of quality research in the field of computer science and tried to inculcate among the budding scholars of the department to cope up with the challenges faced during the research and the corresponding opportunities in their field. In the seminar more than 100 participants from the Department of Computers Science and Department of Information Technology which included research scholars, students, and faculty members participated. Prof. I.A. Hamal, Vice Chancellor BGSBU and Chief Parton of the seminar, Prof. A K Koul Dean Academics Affairs BGSBU and Patron of the seminar, Prof. Mohammad Asger, Dean, School of Mathematical Sciences & Engineering, BGSBU and patron of the seminar appreciated the efforts of the Department in organizing such types of seminars and emphasized that such types of research based activities/seminars would be organized in future too so that campus could become literally and academically vibrant. The seminar concluded with the vote of thanks by Dr. Sanjay Jamwal, organising secretary of the seminar.

  
Head

BGSB University.

## Eight Days National Workshop on “Linux Administration and Open Source Application Softwares”

Eight days national workshop on Linux Administration & Open Source Application Softwares which was commenced from 11<sup>th</sup> March, 2016 is in progress. Today it is the seventh day of the workshop. More than sixty five participants including Teachers, Scholars and Students are enrolled for the workshop. The Department has invited experts as resource persons and key speakers from both within as well as outside the University. The workshop is divided into 8 days as already mentioned (two sessions per day). The workshop was conceived by the department to acquaint the participants with the working knowledge of Linux operating system and other latest open source application softwares. At the same time due consideration is being given to the fact that the current academics of the students may not suffer.

The workshop had been quite successful, as the response was quite good and more than as we had expected. The whole team of organizers and the recourse persons gave their best to make this workshop a success. The resource persons from HCL Jammu and HCL Delhi who are invited, are highly trained and experienced as far as the theme of the workshop is considered and have been selected for the workshop after long deliberations. Along with it, the theme of the workshop also played an important role in attracting good number of participants for registration. It can even be easily judged by the attendance of the participants during the conduct of workshop.

All that we expect from this workshop is that the participants would learn the basics of the Linux and other open softwares. In case the University migrates from Windows operating system to Linux operating system in near future, as we have been informed, the participants shall feel no problem in handling day today routine jobs at hands and issues regarding troubleshooting the operating system.

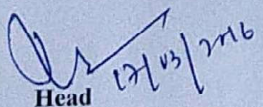

### Workshop Schedule (11<sup>th</sup> -18<sup>th</sup> March, 2016)

Day-1 (11-03-2016, Friday) 03:00-5:00pm	
<ol style="list-style-type: none"> <li>1. Introductory Speech by Mr. Qamar Rayees Khan</li> <li>2. Why Linux? By Dr. Sanjay Jamwal</li> <li>3. Tea Break -15 Minutes</li> <li>4. Linux System Installation By Mr. Gurpreet Singh</li> </ol>	In the first session, the participants were appraised about the features and versatility of the Linux OS followed by the practical demonstration in the second session by creating Live CD/Bootable CD using different open softwares to run Linux without installation on Hard Disk Drive.
Day-2 (12-03-2016, Saturday) 03:00-5:00pm	
<ol style="list-style-type: none"> <li>1. Linux Installation Continued.. By Mr Gurpreet Singh</li> <li>2. Tea Break-15 Minutes.</li> <li>3. Linux Installation Continued.. By Mr Gurpreet Singh</li> </ol>	The participants were practically demonstrated how to install Linux on Hard Disk Drive with partitions by providing technical knowhow.
Day-3 (13-03-2016, Sunday) 11:00am -1:00 pm	
<ol style="list-style-type: none"> <li>1. Installation of Linux &amp; other open source App. Software practice by the participants under the supervision of Mr. Mir Aadil &amp; Mr. Muzafar Ahmad.</li> <li>2. Tea Break-15 Minutes.</li> </ol>	In both the sessions, the participants were asked to install the Linux and other softwares independently.
Day-4 (14-03-2016, Monday) 03:00-5:00pm	
<ol style="list-style-type: none"> <li>1. Configuration of peripheral devices By Mr.</li> </ol>	In first session of the workshop, the participants were

<p>Gurpreet Singh</p> <p>2. Tea Break-15 Minutes</p> <p>3. C,C++,Java under Linux Environment By Mr. Qamar Rayees Khan and Mr. Muzafar Ahmad Dar</p>	<p>shown practically how to install and configure peripheral devices (Printers etc) through Linux console.</p> <p>In the second session, participants were demonstrated how to create, compile and execute C,C++ and Java under Linux environment.</p>
<p>Day-5</p> <p>(15-03-2016 ,Tuesday) 03:00-5:00pm</p>	
<p>1. Working with Linux Envirionment By Mr. Ashwani Kumar</p> <p>2. Tea Break-15 Minutes</p> <p>3. Introduction to Open Source Application Softwares By Mr Mubasher Hassan Malik</p>	<p>In first session of the workshop, the participants were demonstrated the environment of Linux and personalization of the Linux environment.</p> <p>In the second session, participants were taught about the concept of Open Source Application Softwares.</p>
<p>Day-6</p> <p>(16-03-2016 , Wednesday) 03:00-5:00pm</p>	
<p>1. Working with Open Office in Linux By Mr. Mir Aadil</p> <p>2. Tea Break -15 Minutes</p> <p>3. Working with Open Office in Linux Continued.. By Mr. Mir Aadil</p>	<p>In both the sessions, the participants were demonstrated about how to use Libre Office software by providing indepth knowledge about the various components of the software (word, Excel. Powerpoint, access).</p>
<p>Day-7</p> <p>(17-03-2016 ,Thursday ) 03:00-5:00pm</p>	
<p>1. Troubleshooting in Linux and Security under Linux By Mr. Mukesh Kumar.</p> <p>2. Tea Break -15 Minutes</p> <p>3. Troubleshooting in linux and Security under linux continued....</p>	<p>In both the sessions, the participants shall be demonstrated about the security and the installation of other open Source Linux Environment.</p>
<p>Day-8</p> <p>(18-03-2016,Friday) 03:00-5:00pm</p>	
<p>1. Backup and recovery tools under Linux By Mr. Adeep Malmotra.</p> <p>2. Valedictory Function &amp; Certificate Distribution</p> <p>3. High Tea</p>	<p>In this session, the participants shall be demonstrated about the installation of Windows Dot Net Environment under Linux.</p>

In future we at the department of the computer sciences are motivated and well bent to conduct such workshops, seminars, quiz competitions or even conferences that will help our students and staff to be acquainted with the knowledge of latest trends and technologies in the field of computer sciences, develop a mindset to be in competition with the rest of the world, bring intellectuals and scholars on one platform and last but not least make this institution a hub of learning and research.

### Seminar Report

The Department of Computer Sciences BGSB University, Rajouri organized one day seminar on **"Big Data: Opportunities and Challenges - BDOC-2016"** on 14-12-2016 as part of the annual day celebrations of the university. On the occasion, the Head Department of Computer Sciences Mr. QamarRayees Khan addressed the participants and talked about the objective of conducting the Seminar. He also spoke about the need to cater to the data demands of the enormous data produced in fractions of time in today's digital world. The dice was then taken over by Prof. M Asgher, Dean, Mathematical and Computer Sciences, who briefly talked about the importance of the theme of the seminar. More than eighty participants including Students, Scholars and teachers from different departments were enrolled for the Seminar. The Department had invited resource persons from outside the university. The speakers were associated with Aptech Computer Education, Jammu. The experts discussed in depth the various challenges for building a viable solution for large and complex data and the people are continuously learning and implementing new ways to handle it. One of the biggest problems regarding Big Data is the infrastructure's high costs. Hardware equipment is very expensive for most of the companies, even if Cloud solutions are available. Each Big data system requires massive processing power and stable and complex network configurations that are made by specialists. Besides hardware infrastructure, software solutions tend to have high costs if the beneficiary doesn't opt for open source software.

The Hon'ble Vice Chancellor BGSBU Prof. Javed Musarrat who was also the chief Patron of the seminar expressed his greeting and wishes for the success of the seminar. He emphasized on keeping pace with the latest trends and technologies in computer sciences and also emphasized on organizing more such seminars so as the participants get exposure to the current research going on in the field of computer science. The seminar concluded with the vote of thanks by Dr. Sanjay Jamwal, Assistant Professor, Department of Computer Science.

### Report of one day Workshop On Intellectual Property Rights (IPR-2017) held on 26<sup>th</sup> October, 2017.

Sponsored by:  
Baba Ghulam Shah Badshah University, Rajouri

#### **About the Workshop:**

Intellectual Property Rights (IPR) protection plays a key role in gaining an advantageous position in the competitive technology world for achieving economic growth. Thus information on various technological advancements should be disseminated to the users of technology in order for our country to develop faster. Thus a culture to make aware of development of technology to pertinent users is essential. This has become more pronounced in the globalized economy with international agreements and obligations in the fields of IPR in the WTO regime. Huge information is to be provided while filing a patent application in order to ensure full disclosure of the invention.

Intellectual property is a "Product of Mind". It is similar to the property consisting of movable and immovable property which can be used by the owner along and not lawfully by others without owner's permission. World Intellectual Property Organization (WIPO) states that "Intellectual Property" includes rights related to works in literary and artistic fields, performance of artists, broadcasts (in the form of CD, DVD, tape recording etc), innovations in science and technology, industrial designs, trademarks, service marks, etc. It also includes inventions in all fields of human endeavour and protection against unfair competition and all other rights resulting from intellectual activity in the industrial, scientific or artistic fields.

#### **Objectives of the Workshop:**

- To create awareness about IPRs, especially patents and copy rights among faculty members of school of Mathematical & Computer Sciences, BGSBU.
- To guide researchers/inventors in respect of patenting their inventions.
- To provide insight into practical applications of IP such as patent drafting, patentability search, freedom to operate search, validity/invalidity search, evidence of use analysis.

## DEPARTMENT OF COMPUTER SCIENCES BGSB UNIVERSITY, RAJOURI-185234

### Outcomes of the Workshop:

- Procedural outline of Process of patenting.
- Drafting of Patents to improve quality of research.
- Technology commercialization with successful case studies from academics.

### Morning Session:

In morning session, Prof. Atul Gonsai gave overview on IPR, different forms of IPR like patent, copyright and trademark. She explained about the conditions for patenting, non-patentable inventions. She then explained in detail about procedure in getting copy rights, trade-marks, geographical indication, trade secrets, and plant variety protection with neat illustrations. She further dealt with process of patenting, documentation required, patent filing, types of patent applications, and anatomy of the patent.

### Afternoon Session:

In afternoon session, Prof. Atul Gonsai enlightened the participants on technology commercialization and IP Policy. She explained about challenges, solution, impact of technology, transfer of the technology. She further explained about the technology valuation, cost based method, market based method and income based method, IP audit, need for IP audit, IP policies, IP committees, etc.

### Coordinators:

- 1) Dr. Sanjay Jamwal
- 2) Dr. Qamar Rayees Khan

The Department of Computer Science, Baba Ghulam Shah Badshah University Rajouri organized a one day Workshop on Intellectual Property Rights IPR-2017. The Intellectual Property Rights regime was developed to protect the interest of producers of knowledge. It was aimed at rewarding creativity and inventiveness. It was also claimed by many that the nature of intellectual property was that of a 'social contract', one in which the state agrees to secure and protect the rights of individuals in consideration that the individual will reveal his/her creations. The regime of IPR provides access to important creations or source of knowledge to the public along with incentivising the creator by providing monopoly or more aptly 'limited monopoly' rights to commercially exploit their creations. The 'limited monopoly' right is for a temporary period and after the expiration of the temporary period, it falls into the public domain. The interesting part of the IPR regime is that the creator in exchange of the exclusive rights shares the knowledge or know how behind the creation of the work which the public could freely use to

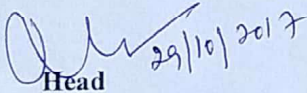

## DEPARTMENT OF COMPUTER SCIENCES BGSB UNIVERSITY, RAJOURI-185234

develop further innovations after the 'limited monopoly' term is over. The 'limited' prefixed to the monopoly word triggers the controversy, with many claiming public interest predominance over private rights and vice-versa. The new national IP Policy in India in 2016 also touched upon the area by declaring that the main aim of the policy is to push IPRs as a marketable financial asset, promote innovation and entrepreneurship while protecting public interest. In this light, this conference seeks to address the question whether IPR is based on public interest leading to public rights predominance over private rights or knowledge as a form of private property to be protected under IPR regime ergo public rights are nothing but exceptions. The conference was organized with an aim of attracting young scholars and experts in various areas of Computer Science Research. Academicians, Scholars from all four corners of India participated in the two days of deliberations.

In the Valedictory function, Dr Sanjay Jamwal, Coordinator of workshop presented the detailed workshop report. Feedback report was taken from delegates and presented in front of audience. Certificate distribution ceremony was held and Dr Qamar Rayees, Head, Department Of Computer Sciences along with Dr Sanjay Jamwal, presented the certificates to the outstation participants on the stage. And finally, Dr Qamar Rayees Khan presented Vote of Thanks.

**Sub: Report on successfully conducting Workshop on "PCB designing"**

**REPORT**

The department of Electronics & Communication Engineering, SoET, BGSB University in collaboration with Department of Electrical & Renewable Energy organized a week long workshop on PCB Designing from 16-21, September 2013. The Inaugural session started with the welcome address by one of the Coordinators of this workshop Mr. Arshid Ahmed Bhat, Assistant Professor in the department of ECE. Honorable Vice chancellor BGSBU was the Chief Guest on this occasion. He deliberated on the importance of such workshops to enhance the designing skills while making any electronics related project. Different experts from Electronics background provided hands on training related to PCB to Faculty members and Students.

In the valedictory function Mr. Tasaduq Hussain, Assistant Professor in the department of ERE and another coordinators of this workshop gave concluding remarks about the technical sessions of the programme. He also advised the students to get familiarize with PCB designing in order to enhance their designing skills and appreciated the efforts of the organizers for the successful completion of the workshop.

The sessions were very interactive and many of our participants were actively interacted with the resource person.

#### **Training on 'Joyful Learning' for Pre-school and Primary school teachers**

Organized by:  
Department of Education  
Baba Ghulam Shah Badshah Rajouri, J&K

A training on 'Joyful Learning' in two phases for Pre-school and Primary school teachers was organized by the School of Education in collaboration P.S.T.E. branch of DIET and coordinated by Dr. Nasreen Qusar, on the following objectives;

- To have an understanding of the significance of play for the overall development of the child
- To plan appropriate activities for play-way activities
- To understand the different values of play and the role of teachers in motivating children to play
- To identify, plan and organize different types of play
- To understand the importance of the availability of play space for children and the role of different kinds of play equipment and play spaces in motivating children to play creatively
- To prepare play materials related to child's development.

A total of 50 (Fifty) participants attended the training recording a 100% attendance. The classroom were organized mainly into group activities, allowing the participants to be more engaging and 'hands – on', creating a conducive classroom environment for 'learning by doing'.

Use of Information and Communication Technology (ICT) in  
Education

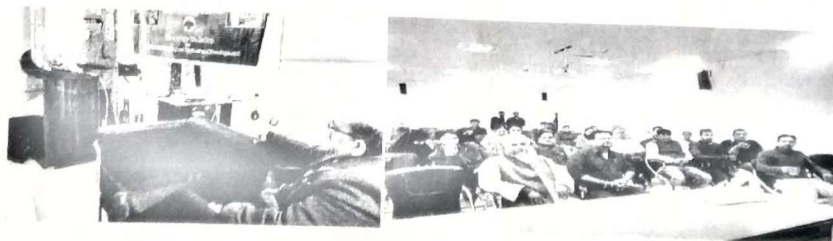

11-13 December 2017

Organized by:  
Department of Education  
Baba Ghulam Shah Badshah Rajouri, J&K

Department of Education organized a 3-day workshop on "Use of ICT in Education" from 11 December to 13 December 2017 at Seminar Hall, School of Education, BGSB University Rajouri.

The Training program aimed at developing and improving the capacity of teachers of the Secondary Schools of Rajouri District so that they could use ICT and the 21st century learning skills in their day-to-day activities in teaching and learning process. The goal of the workshop was to enable the teachers and educators to be sufficiently prepared, confident and competent in making full use of the benefits of these wonderful ICT facilities in the classroom.

The workshop offered an opportunity to get to know how to use ICT, its benefits, importance and strategies in a harmonized way for creating a better learning environment and addressing the digital divide. Thirty participants attended the workshop.

SCHOOL OF EDUCATION  
BABA GHULAM SHAH BADSHAH UNIVERSITY

RAJOURI (J&K), INDIA

**Objectives of the Course**

- To enable teachers become competent in innovatively employing the tools of technology to supplement their traditional teaching methods and thereby achieve enhanced student-learning environment.
- To enhance ICT literacy and confidence among teachers.
- To provide an overview and understanding of educational policies explicitly dealing with ICT integration.
- Give an insight on a series of ICT tools that implicitly support creative learning and innovative teaching; this would improve participants' awareness of the potential of ICT to enhance teaching and learning across the curriculum.
- To enhance participants' information literacy, Internet research skills and presentation skills.

### One-Day Workshop on "Women Empowerment"

School of Education has Organised one Day Workshop On " Women Empowerment" in the seminar hall of the Department on 20 February 2018 with a purpose to understand the true meaning of empowerment and how to fight for their rights in the light of the religion. Dr. Romina , Head of the English Department invited as a Key Speaker. She is also the head of the Women grievance Cell. The girls of the University share their problems with her without any hesitation and she not only solve the problems but also counsel them to get back in their life happily. Dr. Nasreen Qusar, Assistant Professor, School of Education presented a welcome note to the Key speaker. Dr. Romina Rashid, and he also explained the need of such kinds of workshop in the Department. Forty participants attended the workshop.

Dr. Romina Rashid, The key speaker, started the workshop with the meaning of Empowerment "Empowerment is the process which enables one to gain power, authority and influence upon others, institution and society." Whereas Women's empowerment is all about equipping and allowing women to make life-determining decisions through the different problems in society. Women's empowerment and achieving gender equality is essential for our society to ensure the sustainable development of the country, she added. She dwells on the rights and importance of women in the religion. She explained the importance of women and their rights in the light of religion.

She ended the workshop by taking queries by the participants and answers their queries effectively in the light of contemporary world. Dr. Nasreen qusar thanked the Key speaker and the participants for making the workshop successful. She further congratulates Dean and head, School of Education, prof. G.M. Malik for organising such kinds of workshop in the Department. Overall the workshop was very helpful not for the women but for men of the society as well.

### **'Teacher Enrichment Programme' Workshop for Teachers**

Organized by:  
Department of Education  
Baba Ghulam Shah Badshah Rajouri, J&K

THEME: 'Educomp'-Smart Class Workshop By: Dr. Azad Ahmad Andrabi  
REPORT: 'Educomp' workshop for Teachers at Government Boys Higher Secondary School,  
Rajouri  
DATE: 17 April, 2018

### **EVENT REPORT**

An Interactive session was held on Monday, September 29, 2018 at Government Boys Higher Secondary School, Rajouri by the School of Education BGSB University, resource person Dr. Azad Ahmad Andrabi, Assistant professor School of Education BGSB University. The Smart Class Workshop was attended by all the members of the staff. The importance of using modern technology was linked to the Gurukul Times, the Renaissance Period, the Phase of Industrialization, the Invention of Constructive Computers and eventually Smart Boards to enhance learning in classrooms by 'Visual Aids'.

The workshop stressed on the significance of teachers who would be using the visual aids to explain abstract concepts for all intelligence levels. The four pillars of strength for this particular programme laid emphasis on usage of Hardware, Software, Integration and Implementation of the same in the school. The Smart Boards were described to be a scientific concept on which the teaching methodology is based. '5 E Concepts' i.e. Engage, Explore, Explain, Extend and Evaluate could be followed and linked to the subject that is taught in the classroom.

The Stylus-Digital Pen was introduced to the teachers for easy mobility while conducting a particular class. The Teachers were given hands on experience for the same so that the content available in the Lesson Plan Modules is used to the optimum level. They were trained to manage the folders, edit them, switch view, add resources, use animations etc. The workshop was indeed useful for the teachers so as to ready themselves for using Smart Class Boards provided in each of the classrooms of the school.

**Report on One Day Workshop "How to Communicate Effectively as a Teacher"**

On 20 April, 2018, School of Education organized one day workshop on "How to communicate effectively as a teacher" for the professional development of Faculty member of the University in the seminar hall of the Department. Dr. Sachhi sood, Assistant Professor, Department of English, BGSB University invited as a Resource person. The purpose of the workshop was to provide professional development in effective communication among the teachers of the Department. Prof. G.M. Malik, Dean and Head, School of Education welcomed the Resource person and dwell on the importance of this workshop for the development of the teachers. Ten faculty member of the Department participated in the workshop.

Dr. Sacchi Sood, the Resource person initiated the workshop by explaining the Concept of the Communication and its importance in daily life. Learning is a process of sharing, engaging with, and responding to new and different ideas. Talk is "the most powerful tool of communication in the classroom, and it's fundamentally central to the acts of teaching and learning." She said. Communication is essential for any relationship, whether it's a spouse, friend, or colleague. The need for good communication increases tenfold when you are dealing with an entire classroom of students with whom you need to communicate and who need to communicate with each other in a healthy, effective way. She explained the different techniques for improving the communication skills.

The session was ended with the question-answer round where all the queries raised by the faculty member effectively answered by the resource person Dr. Sachi Sood. The workshop was very interesting and benefited for the professional development of the faculty members.

Sub:- Report for one day Industrial interaction on Electrical Systems in Thermal.

### Report

EREE department organized a one day Industrial interaction on electrical systems in thermal power plants. Mr. Jaffar Iqbal (Senior Deputy Manager, BHEL) headed the session whose objective was to bridge the gap between Industry and Institute. This interaction had great bearing on the Engineering Curriculum, exposure of industrial atmosphere to engineering students and subsequent placement of young graduating engineers in industries across the country. Mr Jaffar Iqbal stressed that in order to promote Industry Institute Interaction the following initiatives are need to be addressed-

1. Organizing Workshops, International & National conferences with joint participation of the faculty and the industries.
2. Value added courses in collaboration with Industries.
3. Arranging invited lectures by professionals from industry.
4. Participation of experts from industry in curriculum development.
5. Arranging visits of staff members to various industries.
6. Consultancy work rendered to industries.
7. Providing technical support to the industrial consultants for various industrial processes.
8. Extending academic support to the industrial consultants using real time application software.
9. Visits of faculty to industry for study and discussions on moulding students' project to comply with industrial standard.
10. Memoranda of Understanding with industries to bring the two sides strategically closer.
11. Collaboration with companies for submission of proposals to funding agencies.

He also stressed on the importance of value added courses. Value added courses are conducted aiming to bridge the gap between academic and industrial compliance. It also enhances the employability prospects of the student. The lecture was attended by 121 participants.

  
Head of Department  
Electrical & Renewable Engineering  
CoET, BGSBU

## OBJECTIVE

The objective of Industrial Interaction is to bridge the gap between Industry and Institute. Technical Education forms the backbone of development of a nation. Industry is the major consumer of technical institution product. The real requirement of industry will be explored only through effective interaction with them.

## HIGHLIGHTS

### ABOUT SoET

School of Engineering and Technology (SoET) consists of College of Engineering and Technology (CoET) and University Polytechnic. CoET is constituent college of BGSBU and was established in the year 2007. CoET has created the infrastructure to impart engineering education in a record time of six months. CoET has become one of the premier learning centre in the field of engineering. CoET is currently engaging more than 1000 future engineers in different courses from different regions of the state. Various Workshops and Seminars are held throughout the year involving academic and industry experts. Various B. Tech. courses offered by the college are :

- B. Tech. in Electrical and Renewable Energy Engineering
- B. Tech. in Computer Science and Engineering
- B. Tech. in Electronics and Communication Engineering
- B. Tech. in Information Technology and Engineering
- B. Tech. in Civil Engineering

Each B. Tech. course is of 4 years, 8 semester programme during which training is provided through classroom lectures, laboratory work and workshop practice.

SoET has the unique distinction of having established the first centrally funded Polytechnic in collaboration with the J&K State Government. The need of Polytechnic was felt on account of non-availability of any such institute in the region to meet the great market demand for skilled lower level end engineers. Each Diploma course is of 3 years, 6 semester programme.

### ABOUT BGSBU

The Baba Ghulam Shah Badshah University (BGSBU) has come into existence by an Act of the Jammu & Kashmir Legislative Assembly called the Jammu & Kashmir Baba Ghulam Shah Badshah University Act No. XVI of 2002. The motto of the university is "Iqra Bismi Rabbik-al-lazi Khalaq" which means, "Read in the name of God who has created all that exists". It reflects the vision and idealism for which the university stands. The objective identified for the university in the Act is to impart quality education and undertake research in basic and job oriented fields. Accordingly, the university has launched teaching programmes in School of Engineering and Technology, School of Mathematical and Computer Sciences, School of Management Studies, School of Biosciences and Biotechnology, School of Islamic Studies and Languages, School of Education, School of Nursing & Biomedical Sciences, School of Social Sciences, School of Healthcare & Pharmacy and School of Material Sciences & Nanotechnology.

### ABOUT Speaker

Mr. Jafar Ali is Electrical Engineering Graduate of 1992 Batch of NIT (Formerly Regional Engineering College) Hazratbal Srinagar, University of Kashmir (J&K).

He joined BHEL in 1994 as an ET. Since then he is posted in Turbogenerator & Electrical Group of Power Sector Technical Service (II.Q) New Delhi/Noida.

During this period he has worked in different areas of Turbo Generator i.e Erection, Commissioning, Servicing and Troubleshooting activities from 60 MW to 800 MW at different sites all over India.

He was involved in preparation of Standard Erection/Commissioning and Servicing Manuals for different rating of Generators.

He has also published/presented papers in different forums.

From January 2007 to July 2008 he was posted to P.D.O Qarn Alam site in Sultanate of Oman as Electrical Erection and Commissioning Engineer for Frame 9E Gas turbine based power plant executed by BHEL.

Presently he is working as Senior Deputy General Manager (Sr. D.G.M) in Turbo Generator and Electrical group of Power Sector Technical Services (PS-TS) BHEL Noida.

Sub:- Report for One week short term course on "Recent advances in Power & Energy Engineering"

### Report

One week short term course on "Recent advances in Power & Energy Engineering" under the aegis of TEQIP-III was held at Baba Ghulam Shah Badshah University. The STC was organised by the Department of Electrical & Renewable Energy Engineering. Professor Sufiyan Beigh Principal, ZHCET Aligarh Muslim University was the chief guest of the inaugural function. The inaugural session started with the welcome addresses given by Mr. Shafqat Nabi Mughal Head Department of Electrical & Renewable Energy Engineering. Speaking on the occasion Prof Javed Massarat Honble vice chancellor BGSBU emphasised on the importance of such workshop to get an idea about the recent developments in electrical domain which would be useful to students and faculty in their researches. Prof Iqbal Parvez Dean Academic Affairs applauded the department of ERE for organising this workshop and also highlighted the activities that would take place under TEQIP-III. Distinguished key note speakers from Aligarh Muslim University Prof Imtiyaz Ashraf Chairman Electrical Engineering Department, Dr. Adil Saravar Assistant Professor, Dr Mohammed Tariq (former scientist Rolls Royce) spoke on the different domains of Power Engineering. Mr. Ahmed Riyaz Assistant Professor was the organising secretary of the STC. Finally a vote of thanks was presented by Prof Mohd Asger Dean SOET. The inaugural session of STC was attended by students, faculty members both from within and outside the department.

**ACADEMIC YEAR 2017-18**

**The Centre for Hospitality & Tourism had organised the following Faculty Development Program for teaching and non-teaching staff during the year 2017-18**

**One Day Workshop on Entrepreneurship Education & Training program:** On August 24 2017 Centre for Hospitality & Tourism organized one day workshop on Entrepreneurship Education & Training program for the faculty of CHTB at Social Sciences Block, BGSBU Rajouri. The core objective of the workshop was to Igniting the Minds of faculty with entrepreneur skills. As teachers play a vital role in motivating students to take up entrepreneurship as a career option. Hence, it is important that teachers should be sensitized on need for being an entrepreneurial teacher.

A formal inauguration of FDP started with recitation of Quran followed with a welcome address by Director CHT, Mr. Asrar Ghaus and explained the objective of the workshop and significance of Entrepreneurship Development in Educational Institutions. Then Mr. Asim Mir, Assistant Professor Department of Management studies the resource person who has delivered an inspirational lecture on “Entrepreneurship Skills development He introduced the different aspects of entrepreneurship and emphasized that zeal and great idea are the only ingredients in a recipe for business start-up. He mentioned that the reason that people do not start their new ventures in a country like India is due to non-awareness amongst the population of India and decides to go for jobs in private or government sectors to minimize the risk. Therefore, he emphasised to raise the basic awareness of entrepreneurial concepts and to enable faculty to identify and how to make a make mind-set of student to take up entrepreneurship as a challenging career. He explained in detail about the various attributes of successful entrepreneurs such as drive, communication skills and technical skills. He also highlighted PayTM owner Mr. Vijay Shekhar Sharma’s journey towards becoming a successful entrepreneur.

During the workshop the participants were encouraged to share their ideas and challenges they faced to encourage students for entrepreneurship. Later in the day, Brain Storming Session was conducted, where the participants formed clusters of 4 to 5 participants each and were asked to deliberate on the following questions and share response. Finally, the workshop culminated with a positive note and vote of thanks by coordinator of the workshop Mr. Amir Malik, faculty member of CHT.

**One day Computer Training Program:** On November 26 2017 Centre for Hospitality & Tourism organized one day Computer Training program for the Non Teaching Staff of CHT at Social Sciences Block, BGSBU Rajouri. The core objective of the workshop was to develop different computer based application skills and hardware information. The program started with an official welcome address and introductory speech by Director, CHT Mr. Asrar Ghaus. He also explained the objectives and the need of such program for the effective and smooth functioning of the office communication activities.

The session started by Dr. Qamar Rayees Khan, Head of the Department, PG Computer Sciences, BGSB University, Rajouri with basic working knowledge of computers with emphasis on the operating system interface, word processing, spreadsheet, and email software to use of these tools to solve problems encountered in an office environment and production of professional documents that adhere to workplace standards. In the second session participants get practical skill in the lab on Operating System Interface, Word Processing, Spreadsheet, email, and print and work with calendars.

The Questionnaire was also conducted by him to settle the queries of the participants regarding many areas of computer operations. Both the session has got good response as many participants have asked the doubts & also got satisfactory answers for the same. The workshops conclude by Mr. Amir MALIK, BGSBU thanked all the speakers and participant.

**ACADEMIC YEAR 2016-17**

The Centre for Hospitality & Tourism had organised the following Faculty Development Program for teaching and non-teaching staff during the year 2016-17

**Effective office Administration & Financial Management:** Centre for Hospitality & Tourism organized one day workshop on “Effective office Administration & Financial Management” for Non-Teaching staff of CHT and School of Business Studies BGSBU on September 10 2016 from 10.00 am to 5.00 pm. The objectives behind having such a work-shop was to guide the Non-Teaching Staff Accounting & Auditing, Maintenance of Dead Stock Register.

The event started with an official welcome address and introductory speech by **Director, CHT Mr. Asrar Ghaus**. Further he explained briefly the objectives and the purpose behind the work-shop. After that **Mr. Asim Mir Assistant Professor, Department of Management Studies**, resource person of the day, He conducted both the session before and after lunch. In his first session he guided the participants regarding good administration, how to tackle the day to day activities of the office, how to manage the work in admin framework & yet following positive approach and gave some examples of the good administrators. In the second session He provided valuable information regarding Dead Stock Register, how to maintain the register, calculation of the dead stock, Maintenance of account and Accounting & Auditing.

The Questionnaire was also conducted by him to settle the queries of the participants regarding many areas of discussions. Both the session has got good response as many participants have asked the doubts & also got satisfactory answers for the same. The workshops conclude by Mr. Kafeel Ahmed, Assistant Professor Department of Management Studies, BGSBU thanked all the speakers and participant and organizers.

**One Day Workshop on Research Methodology:** on June-02-2017, Centre for Hospitality & Tourism conducted Faculty Development Programme on “Research Methodology” for the faculty of CHT, at conference hall of School of Management Studies, BGSBU Rajouri J&K. The core objective of the workshop was to equip the faculty with set of skills and potentiality to undertake the research very effectively in the disciplines of Hospitality & Tourism and to turn completed research into publishable material of high quality in the form of articles, journals and books. This workshop is designed to offer the practical guidelines and direct the faculty through all the stages of research from identifying a research problem to the submission of a dissertation, report writing and research article. The workshop commenced, after the registration of participants, introductions and Inaugural function. The event started with an official welcome address by **Director, CHT Mr. Asrar Ghaus**. **Dr. Parvez Abdulla Assistant Professor, Department of Management Studies, resource person of the day**, further addressed the gathering. He delivered how knowledge and wisdom passed to generation after generation, stressed

importance as well rigor of the research and concluded the welcome note with inspirational words. He also highlighted the overview of the program with core aims, objectives, design and areas. He has explained the design of the workshop to participants and assured them of a learning experience provided in this program through both theory and practical sessions surely equip the researchers to carry out successful research works and overcome potential challenges. The workshop was concluded by vote of thanks by Mr Vinay Sharma, Assistant Professor Department of Management Studies.

### Workshop on "Gas Chromatography-Mass Spectrometry" organized by School of Biosciences and Biotechnology, BGSBU, Rajouri

A two days workshop on "Gas Chromatography-Mass Spectrometry" was organized by School of Biosciences and Biotechnology, Baba Ghulam Shah Badshah University, Rajouri from 2<sup>nd</sup> to 4<sup>th</sup> November, 2014. The venue of session was Centre for Biodiversity Studies, BGSB University.

The session started with a welcome address by Dr. A.A Shah, Coordinator Zoology, School of Biosciences and Biotechnology, BGSB University. He extended a warm welcome to all the dignitaries, participants and various teaching departments of BGSBU. In his address, Dr. A.A Shah emphasized on Gas Chromatography-Mass Spectrometry applications in the subject of Biosciences.

Prof. Dar, Dean School of Biosciences and Biotechnology while speaking at the occasion highlighted various examples of spectrometry in Sciences and Technology.

Various faculty members of School of Biosciences and Biotechnology showed their active participation and delivered important and valuable lectures during this session.

### Workshop on "Rational Drug Design" organized by School of Biosciences and Biotechnology, BGSBU, Rajouri

A two days workshop on "Rational Drug Design" was organized by School of Biosciences and Biotechnology, Baba Ghulam Shah Badshah University, Rajouri from 5<sup>th</sup> to 6<sup>th</sup> March, 2015. The venue of session was Centre for Biodiversity Studies, BGSB University.

The session started with a welcome address by Dr. A.A Shah, Coordinator Zoology, School of Biosciences and Biotechnology, BGSB University. He extended a warm welcome to all the dignitaries, participants and various teaching departments of BGSBU. In his address, Dr. A.A Shah emphasized on use of "Rational Drug Designing" in treatment of different disease around the globe.

Prof. Dar, Dean School of Biosciences and Biotechnology while speaking at the occasion highlighted the importance of rational drug design from medicinal plants in Jammu and Kashmir.

Various faculty members of School of Biosciences and Biotechnology showed their active participation and delivered important and valuable lectures during this session.

### Special session on "Bees and Pollination" organized by School of Biosciences and Biotechnology, BGSBU, Rajouri

A Special session on "Development of DNA Barcode for Rapid Identification of Rhabditid Nematodes" was organized by School of Biosciences and Biotechnology, Baba Ghulam Shah Badshah University, Rajouri from 20<sup>th</sup> to 21<sup>st</sup> September, 2016. The venue of session was Centre for Biodiversity Studies, BGSB University.

The session started with a welcome address by Dr. A.A Shah, Coordinator Zoology, School of Biosciences and Biotechnology, BGSB University. He extended a warm welcome to all the dignitaries, participants and various teaching departments of BGSBU. In his address, Dr. A.A Shah emphasized the importance of insects in pollination ecology of different crops around globe and in India.

Various faculty members of School of Biosciences and Biotechnology showed their active participation and delivered important and valuable lectures during this session.

Special session on "Effect of land development and change in climate on Dal lake" organized by School of Biosciences and Biotechnology, BGSBU, Rajouri

A Special session on "Effect of land development and change in climate on dal lake" was organized by School of Biosciences and Biotechnology, Baba Ghulam Shah Badshah University, Rajouri 12<sup>th</sup> December, 2016. The venue of session was Centre for Biodiversity Studies, BGSB University.

The session started with a welcome address by Dr. A.A Shah, Coordinator Zoology, School of Biosciences and Biotechnology, BGSB University. He extended a warm welcome to all the dignitaries, participants and various teaching departments of BGSBU. In his address, Dr. A.A Shah discussed various biotic and abiotic factors that are responsible for the eutrophication of Dal Lake.

Prof. Dar, Dean School of Biosciences and Biotechnology while speaking at the occasion highlighted the pollution of Dal Lake caused by the overpopulation and growth of *Azolla* weed.

Various faculty members of School of Biosciences and Biotechnology showed their active participation and delivered important and valuable lectures during this session.
