## Vice Chancellor's Message

It gives me immense pleasure to note that the process of admission for the session starting in July 2017 has been initiated with the publication of 13th Admission Prospectus. We shall soon have a fresh crop of young men and women charged with new hopes and aspirations. They will step into the shoes of their seniors who left the portals of the University to face the rough and tumble of life. For you who will join in their place we wish fruitful years of joy and learning to shape your destiny.

Many of you may be leaving home for first time. Your worthiness and endurance will be on test, like that of the ship that leaves the shore for its first voyage across the ocean. The University will be your second home. Your classmates, fellow boarders and teachers will substitute your family. You will be the youngest members of the large BGSBU family and will, therefore, receive love and attention from all quarters. All you need to do is to have confidence in yourself and repose trust in the University community.

We are endeavoring to make this University emerge as a centre of excellence in higher education. As such, efforts are being made to provide you rich library, state - of- art laboratories, uninterrupted internet connectivity, cozy boarding houses and above all excellent teaching faculty for whom teaching is a passion. In a little over a decade we have morphed the desolate stretch of hills and dales dotted with shrubby outgrowth into an institute of higher and technical education. This was possible through collective action. The University is already at top of the hill. Your inputs should take it to greater heights.

I wish you happy stay on the campus and success in realizing your dreams!
