Suggestions: Need improvement in lab, and in supports.

Relevance of curriculum in your job:

Malik Saqaraz

Need any change in curriculum and syllabi?

Syllabi should be updated as per modern requirements. The study should be more practical. Need of the improvement in lab equipments.

Improvements in teaching and learning Process:

Teaching in the department of computer science is upto date, so teachers are always in there to help the students.

Any other suggestion Some improvements are required as mentioned above such as syllabi according to modern requirements
