

Computer Science and Engineering Department, BGBSBU has organized a free 1 day seminar on IPR and Patent Filing on May 12, 2017. The seminar was conducted by Dr. Ram Singh, Head, Department of Mathematical & Engineering Sciences, BGBSBU. The main objective of this seminar was to increase the awareness of patent filing and its various aspects like how to search, draft including filing and prosecution procedure etc. Huge response for it has been received and more than 14 participants have registered for the workshop.

Dr. Ram Singh addressed the participants and highlighted the need for looking at the problems existing within the local eco-system differently, thinking out of box which in turn leads to innovation. He deliberated day long on varied aspects of Intellectual Property Rights.

The purpose of the committee is to promote IPR in university and facilitation and management of Intellectual property in the university.
