Report on Environmental Awareness Camp:

One of the biggest environmental challenges today is global warming, the increase in earth's average temperature. The disruption of the ecological system and the environmental destructions require that we review our relations with the outer world and therefore increase our awareness on environmental problems as individuals. With some objective of Environment protection and preservation, on 26-02-2018, Centre for Hospitality & Tourism visited to village Dhanore, Rajouri. Students along with the faculty members headed by Director, Centre for Hospitality & Tourism reached spot at 12: am. A well organized team of teachers and students of the CHT took up the objectives in a meticulous manner to impart general awareness about the Environment, close relationship between man and environment and how the unsustainable activity of human disturbed the ecological balance. Mr. Asrar Ghaus, Director CHT deliberated a valuable lecture on Man and Environment to the gathering. The objective was to create an environmental conservation and cultivate positive emotions and responsibilities in environmental protection. "The environment is where we all meet; where we all have a mutual interest; it is the one thing all of us share," he added.

This healthy interaction between the Faculty and students of CHT and the people of Dhanore ended with a outh. Let us pledge to collectively work towards conserving precious environment resources. Let us live in harmony with nature and keep our beloved Earth clean and green .

At the end, the Director, Mr Asrar Ghaus expresses his happiness on the success of the visit and shows his concern on organising such kind of camps so that the society keeps getting benefits from the department.
