ONE WEEK

RESEARCH METHODOLOGY WORKSHOP IN SOCIAL SCIENCES & HUMANITIES

Online/Offline

31 Oct. to 06 Nov. 2022

Research is the careful investigation and systematic process of collecting, analysing and interpreting information to increase our understanding of the world in general and of the phenomenon under study in particular. Further, research is the creation of new knowledge or use of the existing knowledge in a creative way so as to generate new concepts, methodologies and understandings. It is the systematic procedure used to identify the research problem and provide the possible and beneficial solution to the same. The process of research covers a wide range of components like identification of research problem, review of literature, collection of relevant research data, analysing and interpretation of research data, journal identification, writing research proposals, thesis writing, research report writing, citation formats, ethics of research etc. Keeping in consideration the importance of research methodology in Social Sciences & Humanities disciplines for conducting the best and fruitful research work, Department of Islamic Studies, Baba Ghulam Shah Badshah University, Rajouri, Jammu & Kashmir is going to organise One Week "Research Methodology Workshop in Social Sciences & Humanities" both Online/Offline mode for the faculty members, research scholars and post graduate students of Social Sciences and Humanities disciplines.
