7. Dr. Raja Amir, Assistant Professor (Member)

Agenda: To go through the draft of revised syllabus of M.Sc. Biotechnology

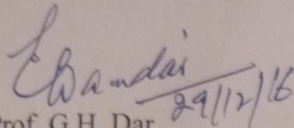

Resolution: The members thoroughly went through the draft of revised syllabus of M.Sc. Biotechnology prepared by the faculty in keeping with the fact that this programme is funded by DBT, New Delhi, as an innovative PG Course titled M.Sc. Bioresource's Biotechnology. The following recommendations emerged out of the prolonged discussions:

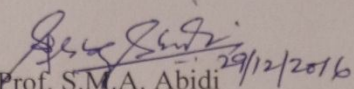

1. A course on microbial bio-resources was added in semester Ist (02 credit)
2. New syllabus would be as per CBCS.
3. Open choice elective course should be added in semester 2nd (04 credit).
4. Course on genetics should be added in semester 3rd (02 credits)
5. Discipline centric elective courses (minimum 03) should be added in semester 3rd
6. Some skill based course must be added to overall curriculum.
7. A course on Bioinformatics and Bio entrepreneurship should be incorporated in 3rd semester.
8. Course on Analytical Techniques (02 credits) must be added in semester 3rd

The meeting ended with a vote of thanks to the Chair.
