

**Minutes of Board of Studies Meeting for CSE held in the Conference Hall of  
CoET on 16<sup>th</sup> September 2015.**

The meeting of Board of Studies for CSE was held in the conference hall of CoET on 16/09/2015.

Those present in meeting included:

1. Prof. M. Asger (Convenor), Dean and Principal, CoET.
2. Mr. Malik Mubasher Hassan, Head & Assistant Professor, CoET.
3. Mr. Khalil Ahmed, Head & Assistant Professor, CSE
4. Mr. Amit Dogra, Assistant Professor, CSE
5. Mrs. Rukhsana Thaker, Lecturer, CSE.

The following points were discussed and resolved in the meeting:

**Syllabus for Cloud Computing & Artificial Intelligence**

The Syllabus for Cloud Computing & Artificial Intelligence that was being taught in the department till 2015 needed some minor modifications and changes as per the feedback of the students. The matter was discussed thoroughly and the following modifications were suggested:

- The current Syllabus of Artificial Intelligence (CSE-832) requires some updation to enable our students to meet and compete with the evolving trends and techniques in Artificial Intelligence (CSE-832), and to make them industry ready.
- Cloud Computing (CSE-841) course contents also require introduction to new concepts and techniques.

Department of Computer Science & Engineering  
School of Engineering & Technology
