The Chairman welcomed the external expert as well as the members and informed them that the meeting is taking place in order to undertake the proceedings of the board of studies for the M.Ed Course being offered by the Department. Thereafter the Agenda was taken up for discussion:

At the outset, the Chairman expressed his heartfelt gratitude to Prof. Mubarak Singh for accepting the invitation and showing his interest in the academic growth and development of the Department. The chairman highlighted the importance of curriculum development and expressed that the focus of the Department is academic vibrancy, visibility, quality education and research. The Chairman in his address expressed that in the fast changing academic world, course development is a continuous, evolving and interactive process. The Chairman highlighted that while developing or updating the course; the focus should be to make it more scientific, relevant and student-centered which may encourage the development of higher intellectual skills among the students. The course curriculum should ensure that students become active partners in the learning process and should introduce them to scientific methods.

Highlighting the role of the faculty in the Department, the chairman appreciated their support and cooperation extended to this University from time to time and read out point wise agenda of the meeting. Threadbare discussions/deliberations were held in order to draft the syllabi for M.Ed course for the years mentioned in the agenda and the decisions are hereby placed on record.
