This is hereby certified that the candidate named as **Ms. Heena Rafie D/O Muhammad Rafie Malik** R/O **Memender Shopian** has undergone practical industrial training course of networking. The said candidate has acquired required level of competence in Network (LAN, WAN) installation, configuration, troubleshooting and dial access services for both medium and large-sized networks which enabled her to work as a network engineer cum administrator in any organization.

The expertises she acquired are as:

1. Network (LAN, WAN) setup from the scratch.
2. Cat6, RJ45 Connector Connection with International Color Coding Standard.
3. Configuration of LAN Adapters on all Nodes of Network.
4. LAN Server Configuration that includes Gateway, DNS, Public and Local IP Configuration.
5. Multiple Router installation in a WAN.
6. Ethernet & Wireless Internet Sharing in LAN and WAN From Server to Clients.
7. Directory Sharing, Access Role From Server To Client.
8. Domain Management.
9. Resolution and Restoration of IP Conflicts.

On behalf of the company, I take this opportunity to wish **Ms. Heena Rafie** all the very best in her future career endeavours.
