Vice Chancellor's Message

After brisk activity set in motion with generous funding by the University Grants Commission and the State Government, never before could we venture to undertake construction work of the scale as we did this year. We feel satisfied to have come a long way from our humble past. We endeavour to upgrade the infrastructure and make ideal ambience for higher learning and research to flourish.

A major achievement of the University this year is to have produced 17 M. Phil. passouts in five disciplines: Arabic, Computer Sciences, Mathematics, Business Management, Biotechnology, and one Ph. D thesis submitted in Botany. We realize that all beginnings have rough patches which need to be negotiated tactfully and with conviction. As we grow, there will be a beeline of students from outside the State for the various research programmes launched by the University with liberal funding from the Central Funding agencies.

Besides consolidating ongoing Masters and Undergraduate programmes, this year we shall introduce Masters Degree programme in Botany, Zoology, Economics, English, Computer Sciences, and Education.

The product of the University is being accepted by various employing agencies, including Corporate Houses and Universities on account of the effort being put in to help them develop necessary skills and the hands-on training.

Dedication of the teaching faculty, commitment of young students, support of administrative and supporting staff, and the patronage of our Hon'ble Chancellor, the University is on take off stage for greater strides in future.

I am sure that young minds will have a brighter future after they opt BGSB University for their overall growth.

I. A. Hamal
